Independent Auditors' Report on the Financial Statements

To the Board of Directors United Cerebral Palsy Association of San Luis Obispo County, Inc. San Luis Obispo, California

Opinion

We have audited the accompanying financial statements of the United Cerebral Palsy Association of San Luis Obispo County, Inc. ("the Organization"), a non-profit organization, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Independent Auditors' Report on the Financial Statements - Continued

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1. Operations and Summary of Significant Accounting Policies

Nature of operations:

The United Cerebral Palsy Association of San Luis Obispo County, Inc. ("the Organization") is a California non-profit corporation established in 1994. The Organization is dedicated to further, by public education, the knowledge of the causes and treatments of Cerebral Palsy and other developmental disabilities and to promote public awareness of the capabilities of people with such disabilities; to provide community access for developmentally disabled people and their families; to solicit, collect and otherwise raise money for the above purposes. Originally, the Organization was borne out of a transfer of assets and associated liabilities from United Cerebral Palsy Association of California, Inc. The Organization operates the following divisions:

United Cerebral Palsy: Program offers services for individuals with Cerebral Palsy and other developmental disabilities, designed to provide and allow them to be a part of the community. Services offered for children and their families include respite care, social facilitation, sibling support groups, family advocacy network, parents helping parents, and programs allowing parents time away from home. Adults services include Community Interaction Program (CIP) transportation, leisure club events, tours, weeklong camp, and informational and referral services in San Luis Obispo County.

Ride-On: Program was established to fulfill the need for social service transportation. Rides are available to the disabled as well as non-disabled persons. Fees are charged at the same rate for each passenger.

Transportation Management Association (TMA): Program uses Ride-On vehicles to encourage group transportation with vanpools and shuttles to reduce traffic congestion and air pollution throughout San Luis Obispo County.

Basis of accounting:

The financial statements are presented on an accrual basis, which recognizes income when performance obligations are met, and expenses when incurred. The financial resources are maintained in accordance with the principles of fund accounting.

Financial statement presentation and net assets:

The Organization has presented its financial statements in accordance with generally accepted accounting principles for not-for profit organizations. Under this guidance, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions or with donor restrictions.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions: Net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions: Net assets subject to donor imposed restrictions. Some donor imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Support revenue:

All public support and revenue is considered to be available for unrestricted use unless specifically restricted by the donor or the terms of a grant. Revenue from public support is recognized at the time an unconditional promise to give or transfer of assets is made.

Revenues from grant agreements that represent exchange transactions, if any, are recognized as the revenue is earned over the grant term.

Government contract revenues:

The Organization has contracts with local and state governmental agencies to provide a variety of program services to the public based on contract requirements. Such contracts from government agencies are recorded as revenue as performance obligations are satisfied, which is generally when the related expenditures are incurred at the point in time the service is provided.

Advances are recorded as deferred revenue from government contracts upon receipt. Included in receivables are contract assets for unbilled services and receivables for billed unpaid services.

Revenue recognition:

The Organization follows the five step, principles-based method to recognize revenue upon the transfer of promised goods or services to customers and in an amount that reflects the consideration for which the Organization expects to be entitled in exchange for those goods or services. The five steps are as follows: 1) identification of the contract with a customer, 2) identification of the performance obligation(s), 3) determination of the transaction price, 4) allocation of the transaction price to performance obligations in the contract, and 5) recognition of revenue as performance obligations are met. Prices are specific to distinct performance obligations and do not consist of multiple transactions. Revenues are recognized in the period the service is provided, which is when the performance obligation

Notes to Financial Statements

is met either over time or at the point-in-time that the recipient receives the service. Amounts collected but unearned are reflected in the balance sheet as deferred revenue. Amounts billed but unpaid are contract assets and are recorded as accounts receivable.

Disaggregation of revenue:

The Organization's revenue types are disclosed on the statement of activities, disaggregated between transportation and program, all of which are satisfied at a point-in-time.

Contract balances:

The timing of revenue recognition, billings and cash collections results in billed accounts receivable (contract assets), and deferred revenue (contract liabilities) on the balance sheet. Generally, billing occurs subsequent to revenue recognition, resulting in contract assets and an unconditional right to consideration recorded as a receivable. However, the Organization sometimes receives advances or payments from customers before revenue is recognized, resulting in deferred revenue. The deferred revenue is recognized as revenue when the Organization satisfied the related performance obligation.

The beginning and ending contract balances were as follows:

	 2022	 2021	 2020
Accounts receivable	\$ 651,074	\$ 891,914	\$ 353,041
Deferred revenue	\$ 9,507	\$ 8,991	\$ 8,677

Performance obligations:

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer and is the unit of accounting. A good or service is distinct if the customer can benefit from the good or service either on its own or together with other resources that are readily available from third parties or from the Organization, and within the context of the contract is separately identifiable from other promises in the contract.

Donated services and assets:

The Organization occasionally receives donations of time and services from members of the community and volunteers. Donated services are recorded in the financial statements to the extent that those services create or enhance a nonfinancial asset or meet the following criteria: a) the service requires specialized skills, b) the service is provided by individuals who possess those skills, and c) the service would typically need to be purchased if not contributed. Donated services for the years ended June 30, 2022 and 2021 were \$13,700 and \$27,170, respectively, which were provided at no cost to the Organization and based on current market rates.

In-kind donations of fixed assets and supplies used directly by the Organization are valued at their estimated fair values at the time of the donation. Donated vehicles for the year ended June 30, 2022 were \$407,073, which were provided at no cost to the Organization

and valued based on the estimated market value of the vehicles. There were no donated fixed assets or supplies for the year ended June 30, 2021.

All gifts in-kind received by the Organization for the years ended June 30, 2022 and 2021 were considered without donor restrictions and able to use by the Organization as determined by the board of directors and management.

Functional allocation of expenses:

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that can be identified with a specific program or supporting service are charged directly to the program or supporting service. Expenses which apply to more than one functional category have been allocated based on estimates made by management.

Use of estimates:

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and cash equivalents:

The Organization considers cash equivalents to be all short-term securities purchased with a maturity of three months or less.

The Organization maintains cash balances with financial institutions located in California. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2022 and 2021, there were amounts held in excess of the federally insured limit.

Accounts receivable:

Management has determined that an allowance for doubtful accounts receivable would be zero based on the Organization's credit policies, prior collection experience, and the type of customers associated with the Organization.

Property and equipment:

Purchased property and equipment are stated at cost and donated assets are valued at their estimated fair value on the date donated. Property and equipment additions over \$1,000 are capitalized. All assets are depreciated over estimated useful lives on a straight line basis. Repairs and maintenance are expensed as incurred. Expenditures that significantly increase asset values or extend useful lives are capitalized. Upon retirement, sale or other disposition of property and equipment, the cost and accumulated depreciation are eliminated from the accounts and gains or losses are included on the statement of activities.

Estimated useful lives are as follows:

	Years
Leasehold improvements	7
Vehicles	5
Furniture and equipment	3 - 7

Compensated absences:

The Organization allows full-time employees to receive compensation for vacation and sick leave. The estimate related to compensated absences is based on vacation hours available and current pay rates. The obligation for compensated absences has been recorded to accrued vacation and the offsetting expense to employee benefits.

Income tax status:

The Organization's activities are generally exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Franchise Tax Code. Since the Organization is exempt from federal and state income tax liability, no provision is made for current or deferred income tax expense. The Organization is not a private foundation. Management is not aware of any transactions that would impact the Organization's tax-exempt status.

For the year ended June 30, 2022, management of the Organization is not aware of any material uncertain tax positions to be accounted for in the financial statements under the principles of the *Income Taxes* topic of the FASB (*ASC*). The Organization recognizes interest and penalties, if any, related to unrecognized tax benefits in interest expense.

All tax exempt entities are subject to review and audit by federal, state and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the tax-exempt entity under the Internal Revenue Code and applicable state statutes.

Advertising:

The Organization expenses advertising costs as incurred.

Recent accounting pronouncements:

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This new standard amends a number of aspects of lease accounting, including requiring lessees to recognize operating leases with a term greater than one year on their balance sheet as a right-of-use asset and corresponding lease liability, measured at the present value of the lease payments. The new standard is effective for private companies for fiscal years beginning after December 15, 2021, which means that it will be effective for the Company for the year beginning July 1, 2022. The new standard is required to be adopted using a modified retrospective approach. Management will be evaluating the potential impact of the new guidance and is currently uncertain what impact the pronouncement will have on the financial statements, if any.

Note 2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 602,985
Accounts receivable	651,074
	\$ 1,254,059

The Organization's liquidity management plan is designed to cover operating expenses and cash flow needs.

Note 3. Property and Equipment

Major classes of property and equipment and accumulated depreciation are as follows at June 30, 2022 and 2021:

	2022	2021
Leasehold improvements	\$ 23,586	\$ -
Vehicles	3,195,772	3,517,726
Furniture and equipment	161,867	234,320
	3,381,225	3,752,046
Less accumulated depreciation	(2,587,486)	(3,098,359)
Total property and equipment	\$ 793,739	\$ 653,687

Depreciation expense for the years ended June 30, 2022 and 2021 was \$347,558 and \$267,091, respectively.

Note 4. Accrued Expenses

Accrued expenses consist of the following at June 30, 2022 and 2021:

	2022		2021	
Accrued salaries	\$	97,799	\$	80,236
Accrued payroll taxes		34,151		27,707
Accrued vacation		213,805		208,682
Accrued employee benefits		5,034		4,695
Total accrued expenses	\$	350,789	\$	321,320

Note 5. Line of Credit

The Organization has a line of credit with Rural Community Assistance Corporation, allowing for borrowings up to \$300,000 with a maturity date of January 1, 2024. Interest accrues at the rate of 6.875%. The line of credit is secured by vehicles. There was no outstanding balance on the line of credit at June 30, 2022 and 2021.

Note 6. Capital Lease Obligations

The Organization leases vehicles and equipment under capital lease obligations. The capital lease obligations have been recorded in the accompanying financial statements at the present value of future minimum lease payments. The cost of assets acquired under the capital leases totaled \$153,736 at June 30, 2022 and 2021. Accumulated depreciation on assets under the capital leases totaled \$108,452 and \$77,705 at June 30, 2022 and 2021, respectively. Depreciation expense on assets recorded under capital leases totaled \$30,747 for both years ended June 30, 2022 and 2021, respectively.

Capital lease obligations consist of the following at June 30, 2022 and 2021:

	2022		2021	
Wells Fargo, June 2018, secured by				
vehicles, monthly payments of \$1,780 include interest at 6.79%, due June 2023.	\$	18,931	\$	38,286
Financial Pacific Leasing, March 2019,	ψ	10,751	Ψ	30,200
secured by equipment, monthly payments of				
\$710 include interest at 20.92%, due January				
2023.		4,562		11,442
Glesby Marks, April 2020, secured by				
vehicles, variable monthly payments include				
interest at 7.36%, due April 2025.		14,649		19,912
		38,142		69,640
Less current portion		(30,131)		(31,187)
Total capital lease obligations, less current				
portion	\$	8,011	\$	38,453

Notes to Financial Statements

At June 30, 2022, future minimum lease payments under the capital lease obligations and the net present value of the future minimum lease payments are as follows:

Years Ending	
<u>June 30,</u>	
2023	\$ 30,817
2024	5,881
2025	4,618
Total future minimum lease payments	41,316
Less amount representing future interest	(3,174)
Present value of future minimum lease	
payments	\$ 38,142

Note 7. Long-term Debt

Long-term debt consists of the following at June 30, 2022 and 2021:

	2022		2021	
Ally, secured by vehicle, monthly payments of \$384 include interest at 6.99%, due June 2024.	\$	8,559	\$	12,416
Ford Credit, secured by vehicles, monthly payments of \$464 include interest at 10.49%,		,		,
due October 2024.		11,842		15,935
Ford Credit, secured by vehicles, monthly payments of \$683 include interest at 9.69%,				
due February 2025.		19,187		25,203
Wells Fargo, secured by vehicles, monthly payments of \$1,103 include interest at				
6.39%, due May 2022.		-		11,754
Wells Fargo, secured by vehicles, monthly payments of \$2,668 include interest at				
6.09%, due January 2023.		18,302		48,208
Rural Community Assistance Corporation, secured by vehicles, interest only payments				
until July 2021 at 6.875%, due June 2025.		26,816		19,254
Tenant improvements loan, unsecured, monthly payments of \$435 include interest at 4%, due				
March 2024.		8,817		-
		93,523		132,770
Less current portion		(65,383)		(74,880)
Total long-term debt, less current portion	\$	28,140	\$	57,890

Notes to Financial Statements

Aggregate maturities of long-term debt at June 30, 2022 are as follows:

Years Ending	
<u>June 30,</u>	
2023	\$ 65,383
2024	20,629
2025	7,511
	\$ 93,523

Note 8. Commitments and Contingencies

Operating leases:

The Organization has multiple facilities with separate lease agreements for office spaces, the bus yard, vehicle maintenance facilities, and a storage unit with monthly payments totaling approximately \$14,193. The bus yard, vehicle maintenance facilities, and storage unit are on a month-to-month basis. The office leases are long-term, non-cancellable operations leases with expiration dates from February 2023 through March 2024.

Future minimum lease payments under the non-cancellable leases at June 30, 2022 are as follows:

Years Ending	
<u>June 30,</u>	
2023	\$ 108,636
2024	69,165
	\$ 177,801

Note 9. Paycheck Protection Program and COVID-19 Impact

On May 5, 2020, the Organization was granted a loan (the Loan) from Rural Community Assistance Corporation, in the aggregate amount of \$695,645, pursuant to the Paycheck Protection Program (PPP) under Division A, Title I of the CARES Act. Under the terms of the PPP, certain amounts of the Loan may be forgiven if they are used for qualifying expenses as described in the CARES Act. In July 2021, the Organization was given official forgiveness of the loan amount, as the funds were used for qualifying expenses. Since the funds were used for qualifying expenses, the Organization is accounting for the loan as a government grant under the PPP program, under the accounting guidance.

On February 8, 2021, the Organization was granted a second loan from Rural Community Assistance Corporation, in the aggregate amount of \$688,942, in the form of a note. Subsequent to year-end, in October 2021, the Organization was given official forgiveness of the loan amount, as the funds were used for qualifying expenses. Since the funds were used for qualifying expenses, the Organization is accounting for the loan as a government grant under the PPP program, under the accounting guidance.

Note 10. Functionalized Expenses – Methods used for Allocations

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include insurance, depreciation, contract services, promotion and publication, salaries, benefits, and payroll taxes, which are allocated on the basis of estimates of time and effort. Most expenses are directly tracked by program or function.

Note 11. Related Party Transactions

The Organization receives donations from board members, who are considered related parties to the Organization.

Note 12. Concentrations

The Organization has concentrations as a result of services provided by the Organization to significant customers. Revenues from these customers as a percentage of total revenues for the years ended June 30, 2022 and 2021 are as follows:

	2022	2021
Major Customer 1	44%	55%

Accounts receivable balances as a percentage of the total accounts receivable for those customers with a concentration of credit risk for the years ended June 30, 2022 and 2021 are as follows:

	2022	2021
Major Customer A	77%	71%
Major Customer B	12%	8%
Major Customer C	0%	11%

Note 13. Retirement Savings Plan

The Organization offers a 401(k) plan that covers all eligible full-time employees. To be eligible to participate in the salary deferrals into the plan, employees must be at least 21 years of age. Employees are not required to complete a service requirement to participate in the plan. Employees are eligible to participate in the plan on the first day of the month on or after the day they have met the age requirement. There are no Organization matching or discretionary contributions for the years ended June 30, 2022 and 2021.

Note 14. Subsequent Events

The date to which events occurring after June 30, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is May 15, 2023, which is the date on which the financial statements were available to be issued.

Independent Auditors' Report on the Supplementary Information

To the Board of Directors

United Cerebral Palsy Association of San Luis Obispo County, Inc. San Luis Obispo, California

We have audited the financial statements of United Cerebral Palsy Association of San Luis Obispo County, Inc. as of and for the years ended June 30, 2022 and 2021, and our report thereon dated May 15, 2023 which contained an unmodified opinion on those financial statements, appears on page one. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole.

The statements on pages 21 through 28 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
